 - e. The manager must remove a pitcher when said pitcher reaches 95 pitches, but the pitcher may remain in the game at a different position.

Exception: If a pitcher reaches his/her pitch limit while facing a batter, the pitcher may continue pitching to that batter until such batter reaches first base, is put out, or the inning ends.

When a protest situation is imminent, time should be called and the potential offender should be notified immediately.
 - Pitches delivered in games declared "Regulation Tie Games" or "Suspended Games" shall count against a player's eligibility to pitch.
